The Association, acting through its Board of Directors, shall have the authority to make and to enforce standards and restrictions governing the use of the Properties, in addition to those contained herein, and to impose reasonable user fees for use of Common Area facilities. Such regulations and use restrictions shall be binding upon all Owners and occupants until and unless overruled, canceled or modified in regular or special meeting of the Association by the vote of Members representing a majority of the total votes in the Association. Notwithstanding anything to the contrary contained herein, the Declarant shall be exempt from application of the provisions of this Article XII so long as it owns any property described on Exhibit "A" primarily for development and/or resale.

Section 1. Signs. Any person walking a pet shall be responsible for cleaning up and properly disposing of the pet's waste immediately. Failure to comply with the leash, control or "clean up" requirements of this Section shall constitute a nuisance requiring removal of such pet.
