

AN IMPORTANT MESSAGE FROM YOUR COMMUNICATIONS COMMITTEE

As of July 1, 2011 the State of Florida has enacted a statute that forbids the release of owners' telephone numbers to other home owners as part of the HOA's official record. Florida State Statute 720.303(5)(c)(5).

This provision requires that we no longer can publish the Directory, showing homeowners' telephone numbers unless each homeowner authorizes their phone number be included in the Directory.

We would like to continue producing the Directory with homeowners' names and addresses. If you would like to have your phone number included please fill out the form below and drop it off or mail it back, in the envelope provided, by Jan 15, 2012.
